

Julián Jaramillo  
julian@julianjaramillo.net

Julián Jaramillo Arango (moderator) is composer and researcher working in the field of new media design, focusing on experimental sound practices, multimodal communication and in the development of interactive applications and services. Jaramillo Arango`s works bridge the gap among science, arts, technology, creativity, society, community and sustainability through works that explore different modes of sonic interaction. He holds a Ph.D. in Sonology advised by Dr Fernando Iazzetta São Paulo University. Currently Julián conducts a postdoctoral research in the Caldas University Design and Creation program where he develops novel interfaces for the local urban space.
